

Impact 360
INSTITUTE

Our Mission: Focused

We exist to inspire and equip the next generation of disciples to **KNOW Jesus more deeply, **BE** transformed in their character, and **LIVE** with Spirit-empowered influence.**

2023 was another year of Impact 360 stewarding the lives of students and staff with whom the Lord blesses us. As we continue to work to fill our campus, all our Impact 360 ministries experience record numbers. In fact, approximately 47 weeks of the year have some type of ministry programming happening on our campus. Our recruiting and enrollment forecast indicate Impact 360 will meet our goal to fill our expanded housing in 2024 with a minimum 100 Fellows, a minimum 25 Resident graduate students, and Propel and Immersion summer camp weeks maxed out at 85 or more students per event. Our ability to teach and disciple students is no longer limited to only Pine Mountain. Through the launch of The 3 Initiative, a three-year coaching and discipling journey with recently commissioned Fellows, Impact 360 has a presence on dozens of college campuses with approximately 100 of our alumuni strategically leading on their campuses and discipling other students in their circles.

As we approach our on-campus residential program enrollment goals of filling our available housing our hearts, minds, and vision begin to turn toward how we grow Impact 360's influence with other audiences beyond Pine Mountain. Join us in thanking God for His blessings upon our ministry and for a clear vision of how Impact 360 can continue to grow towards inspiring and equipping the next generation of disciples to **KNOW** Jesus more deeply, **BE** transformed in their character, and **LIVE** with Spirit-empowered influence.

Gratefully,
Phil Alsup, Ed.D.
Executive Director, Impact 360 Institute

The Discipleship Journey

Each Impact 360 experience is designed to inspire and equip the next generation for a life of faithfully following Jesus. Through our discipleship journey, we walk alongside students in high school, college, and as young professionals.

INSTITUTE

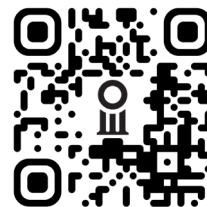

PROPEL AND IMMERSION

Impact 360's summer experiences equip students to know that Christianity is true, gain clarity around the gospel and the need to share it, and grow in confidence to have Spirit-empowered influence as they disciple others.

Students leave camp with a better understanding of why they believe what they believe and how that changes the way they live. They learn about worship, Christian community, apologetics, evangelism, leadership, culture, and how to navigate technology better. To top it all off, they have a ton of fun!

The investment of one or two weeks in a student's life in summer can change their trajectory forever. For many, Propel and Immersion are the moment when they make their faith their own. Students see Christianity as a lifestyle displayed by their peers and not just their parents, and this motivates them to live out their faith at home by boldly initiating spiritual conversations and spending more time in God's Word.

“My son came back from Propel looking lighter, happier, and more confident. He really needed to see and experience that other teenagers are like-mindedly pursuing the Lord. He is more purposeful since coming home.”

Is Gen Z prepared to follow Jesus in a post-everything world?

Despite the cultural tide pulling against this generation, we see the Lord raising up a growing number of young people who want to cultivate a deeper life with God and live differently for the sake of His Kingdom. It is an incredible gift and opportunity to be able to invest in the lives of the next generation through Impact 360 Fellows.

Fellows launch from Impact 360 with a heart for the lost and confidence in their calling to share the truth of the gospel. They have been equipped with tools to grow in their knowledge of God and established rhythms that lead to spiritual transformation. They have clarity about how God has made them—their unique personality, passions, abilities, and experiences—and they are eager to put those things to work for His glory. They have a vision for how God is at work throughout the world, expanding His Kingdom and building His Church. Finally, they leave with a boldness that comes from knowing they are not alone in the journey. They have found a rich and genuine community of likeminded believers, and they take courage from knowing that many have come before them, and many will come after.

“[Influence is] walking with Jesus every single day and trusting him for the outcome.” – Hannah Rathel

The goal of The 3 Initiative is to create a movement of disciples making disciples by coaching students through the three years post Fellows. In 2023, the first cohort of 31 students graduated from the program after their culminating experience in London. Students were introduced to the extraordinary influence that came from the ordinary, but obedient, faithfulness of heroes of the faith, including C.S. Lewis and John Wycliffe.

RESIDENCY

The Residency program equips young professionals to be culture-shaping, Christ-centered servant leaders in their vocations. This year, Impact 360 welcomed a new cohort of 12 Residents for a total of 22 Residents for the 2023-2024 school year.

The holistic nature of the program allows Residents to carry theory from the classroom into the laboratories of community and work where they explore how God has gifted them. This results in greater clarity on where God is calling them to continue their lifelong discipleship journey.

“Whether a Resident needs professional, spiritual, or academic development, we have access to a well-versed staff eager to provide encouragement and challenge while remaining Christ-centered.”

– Anna Newman, Current Resident

Organizational Leadership Residency

Organizational Leadership Residents support Impact 360’s Communication and Marketing, Guest Experience, and Talent Stewardship teams as they gain applied experience in leading non-profit organizations.

Student Discipleship Residency

Student Discipleship Residents are given real responsibility in discipling students and leading teams on campus and internationally.

Leaving A Legacy

The Legacy Grant Fund makes it possible for students from all over the country and world to enroll as Impact 360 Fellows. The Annual ***Legacy Golf Classic*** benefits the Fellows program by ensuring that finances do not stand in the way of any student who desires to be prepared for a life of Spirit-empowered influence through this transformational experience.

Everyday Kingdom Influence

“We are called to be faithful to the job that God has put in our hands, to the skills He has given us, and to who He has created us to be. The work that we do isn’t about us, it’s about God.”

- Abby Daniels, Impact 360 Fellow 2014-2015

Impact 360 Institute’s experiences foster growth and transformation in the next generation of disciples. Our students are inspired and equipped to be faith-filled and faithful disciples in their communities, armed with truth, walking with compassion, and committed to personal devotion to Jesus.
